History

#1 - 06.02.2017 21:45 - didi

- Status changed from New to In Progress

Trying to get it running on status.im.

I managed to partially load it. This is the debug output:

```
02-06 22:41:26.108 15844 27660 D ReactNativeJS: DEBUG [status-im.components.status:135] - :call-jail :path [:c
ommands "browse" :params 0 :suggestions]
